1979 Senior

JACQUELINE L. DAISS

Daiss became the first girl golfer to represent PHS and competed in State competition her sophomore year. She is also a two year member of the National Honor Society and ranks high academically in her senior class.

HOLLY A. DAY

Activities for Day include National Honor Society, Student Council and cheerleading. She has won numerous awards including Miss PHS Runner-Up, sophomore and junior favorite and '78-'79 Homecoming Queen.

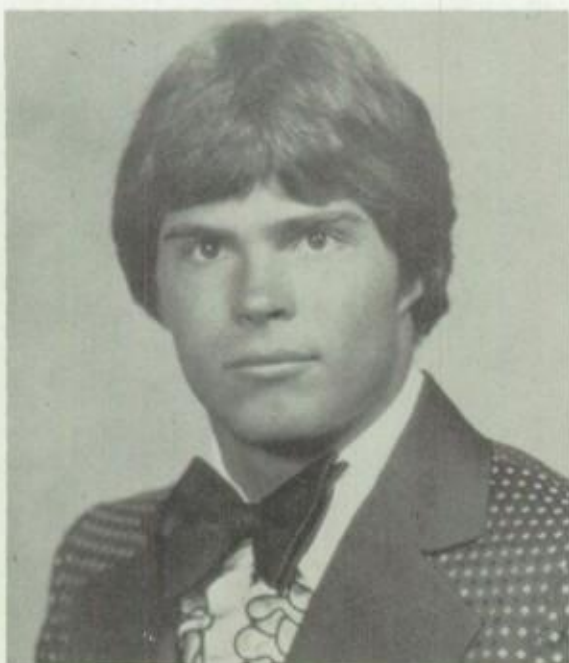

DAVID A. HART

Quill & Scroll, Band, National Honor Society, The Permian Press, and Photography Club all keep Hart busy. He is Co-Editor of the school newspaper, an Officer of the Quill & Scroll and a recipient of the "God and Country" Boy Scout award.

JOHN C. JEFFERS

Playing football has highlighted Jeffers' school days. He has played the game during Junior High and three years at PHS. Jeffers is also a member of the Fellowship of Christian Athletes.

GREGG B. LAMBERT

Lambert is an active participant in Permian athletics, competing in both football and track. He was tailback on the varsity squad and a sprinter on the track team. Lambert also was named to the All-District football team.

KERN A. LEWIS

Lewis is involved in the PHS Student Council of which he is President this year. Past activities for him include band. He is also busy working with several church youth groups.

Hall of Fame

KAREN L. MOONEY

Honors abound for Mooney who was both Senior favorite and Senior most beautiful. She was also voted Miss PHS and served as a cheerleader both her junior and senior year. She is a member of the National Honor Society and on the Senior Board.

CATHERINE A. O'KELLEY

O'Kelley was a homecoming nominee this year and was voted Most Dependable in her Tri-Hi-Y Club. She is a member of the National Honor Society and also works with the Young-life group. Her Club is AeKima Tri-Hi-Y.

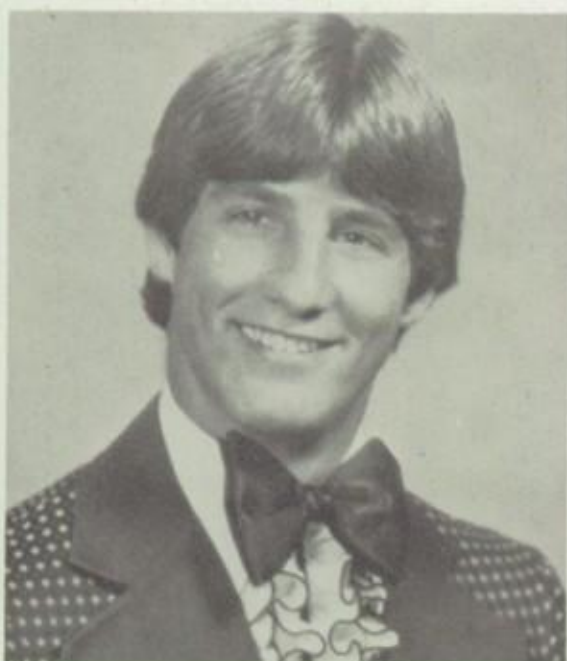

RACHEL J. SHINTANI

Shintani is co-editor of the Panther yearbook, an officer in Quill & Scroll, a member of the Student Council, Science Club and the National Honor Society. She represented PHS last year at Girls' State in Austin.

CHRISTOPHER G. SOAPE

Football Captain Soape was Permian's Boys' State representative last year. He was a two-way starter on the varsity football team and was honored by being named to the All-District Team. He enjoys football, water skiing and hunting.

VIC K. VINES

Vines is the winner of numerous awards, including Optimist Young Texan of the month, All-State football player, Mr. PHS, and All-District football player. He is a member of the National Honor Society.

NANCY L. WADDILL

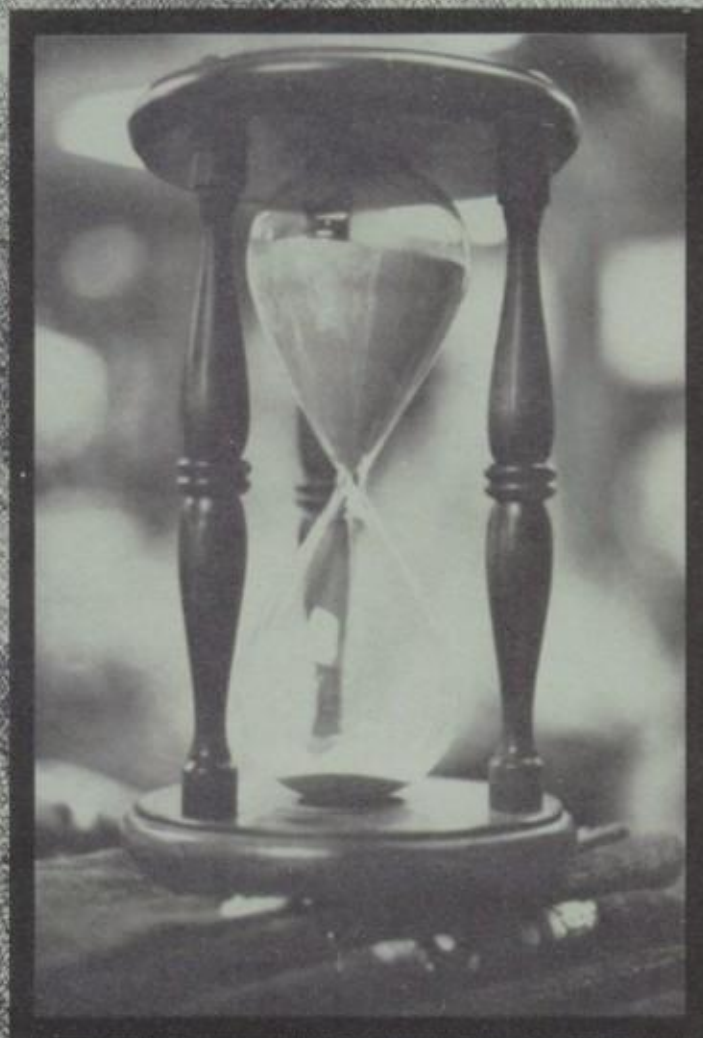

Several honors have been bestowed on Waddill including the DAR Good Citizen, and Young Texanne of the month. She served as an editor of both the newspaper and the Panther yearbook and is secretary of the National Honor Society. She is also an officer in the Quill & Scroll and a member of the Christian Student Union.

SENIOR BOARD

This year, 19 people were elected to the Senior Board. Elected each fall, the Board carries out many projects and are active in all aspects of life at Permian. They plan the Senior Assembly, and sell Panthergrams. The money from these projects is used to pay for the '79 Senior gift. Although a new Senior Board is elected each year, they leave with special memories of Permian.

We have shed

The 78-79 Permian Panther football team again upheld the winning tradition by successfully defending the district title for the second year in a row.

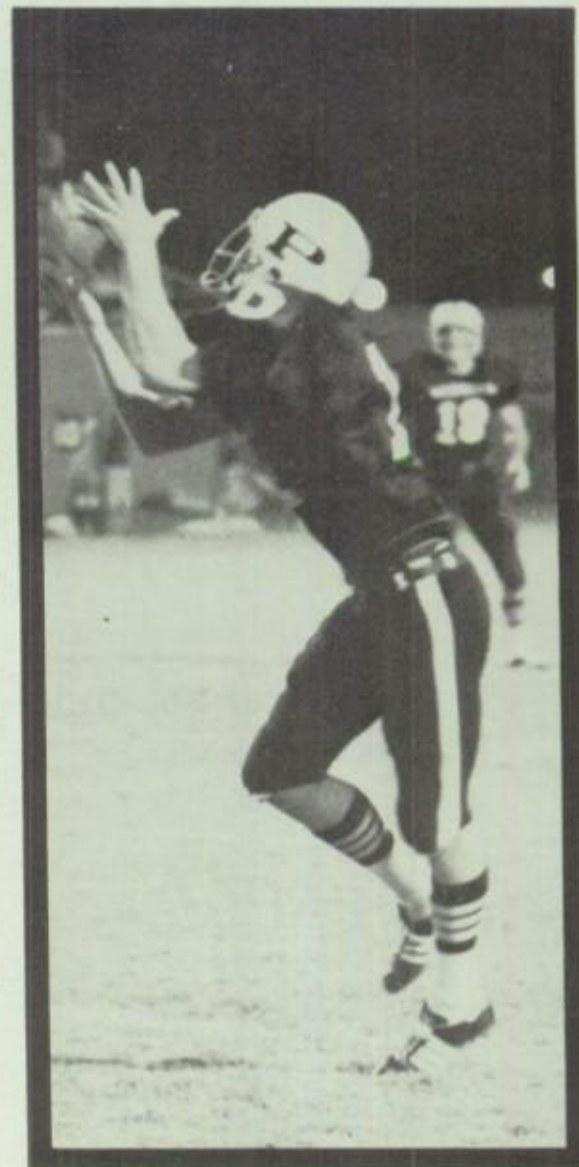

Combining the talents of a well balanced offense and a rock hard defense, the Panthers gained another trip to the post season play-offs by downing such rivals as, pre-season favorite, Abilene Cooper, and tall city power Midland Lee. The Panthers closed the season by remaining dominate in city grid action for the fourteenth year by defeating cross town rival Odessa High 14-6.

Our ability to compete

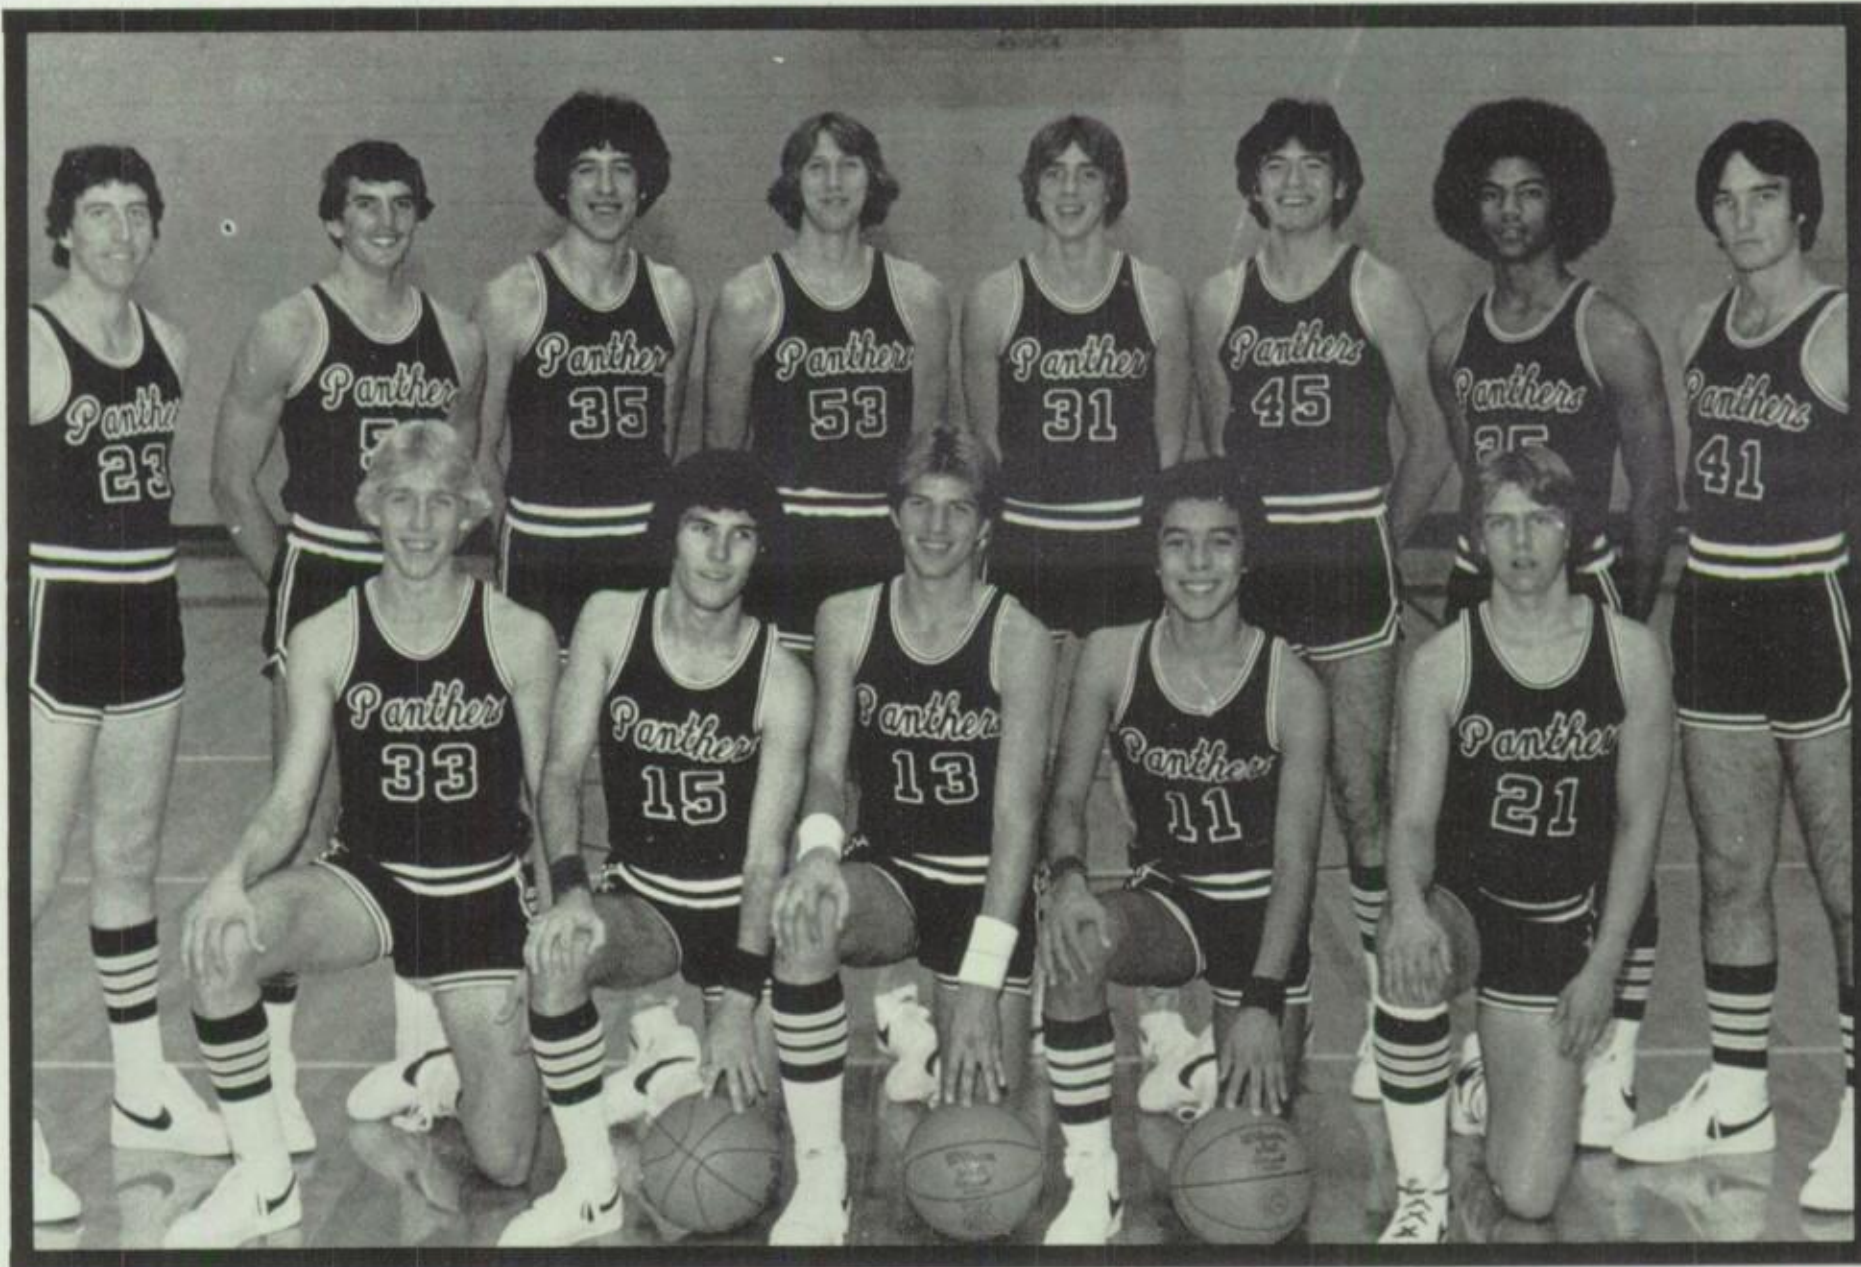

The Permian Roundballers show the dedication common to all Permian athletes. The Varsity Team practices for hours on end, sometimes seven days a week.

This year's seniors are Steve Lazono, Eddie Kerr, Mark Darville, Clay Armstrong, Tracy Watson, Ralph Woods, Rickey White, Danny Herrera, and Rex Fields. Helping them are Juniors Brad Kerley, Scott Wynne, Duane Adams, and Mike Talley. For the second time the team added a little spice to their game. They have two female managers, Terri Armstrong and Kim Terk, helping Greg Thorton, Pete Henderson, and Jimmy Boen. The basketball sweetheart for 78-79 is Terri Armstrong.

The Panther tennis team bounced back with another triumphant season. The team made a strong run for the district title, losing but one match to Midland High, the recipients of the district honor. Many hours of hard work go into learning new tricks and perfecting old routines. The 1978-79 Gymnastics Team is a dedicated group that will always be #1 despite any kind of obstacles that might cross their path.

The team is coached by Martha Mitchell. Four gymnasts are entered in each event and two of these must be all-arounders. In competition the score is determined by the top three scores in each event. The women compete in floor exercise, balance beam, uneven bars, and vaulting. The men compete in floor exercise, rings, pommel horse, horizontal bars, parallel bars, and vaulting.

As the new year begins

The new year brought in new faces, ideas and changes, but many still felt the frustration of things not yet changed.

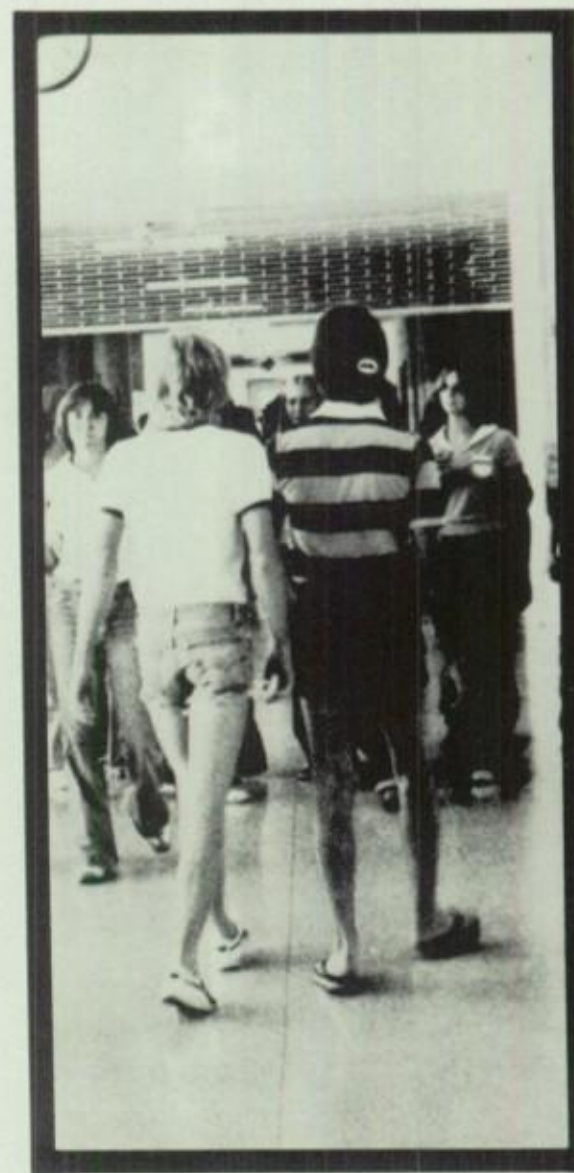

It seemed as if important issues took second place to the insignificant issues. Ideas progressed rapidly, but still remained ideas.

Though the effects were not immediately visible, the year represented a new look. Mojo-Magic filled the school as students old and new walked the halls to get their load of classes.

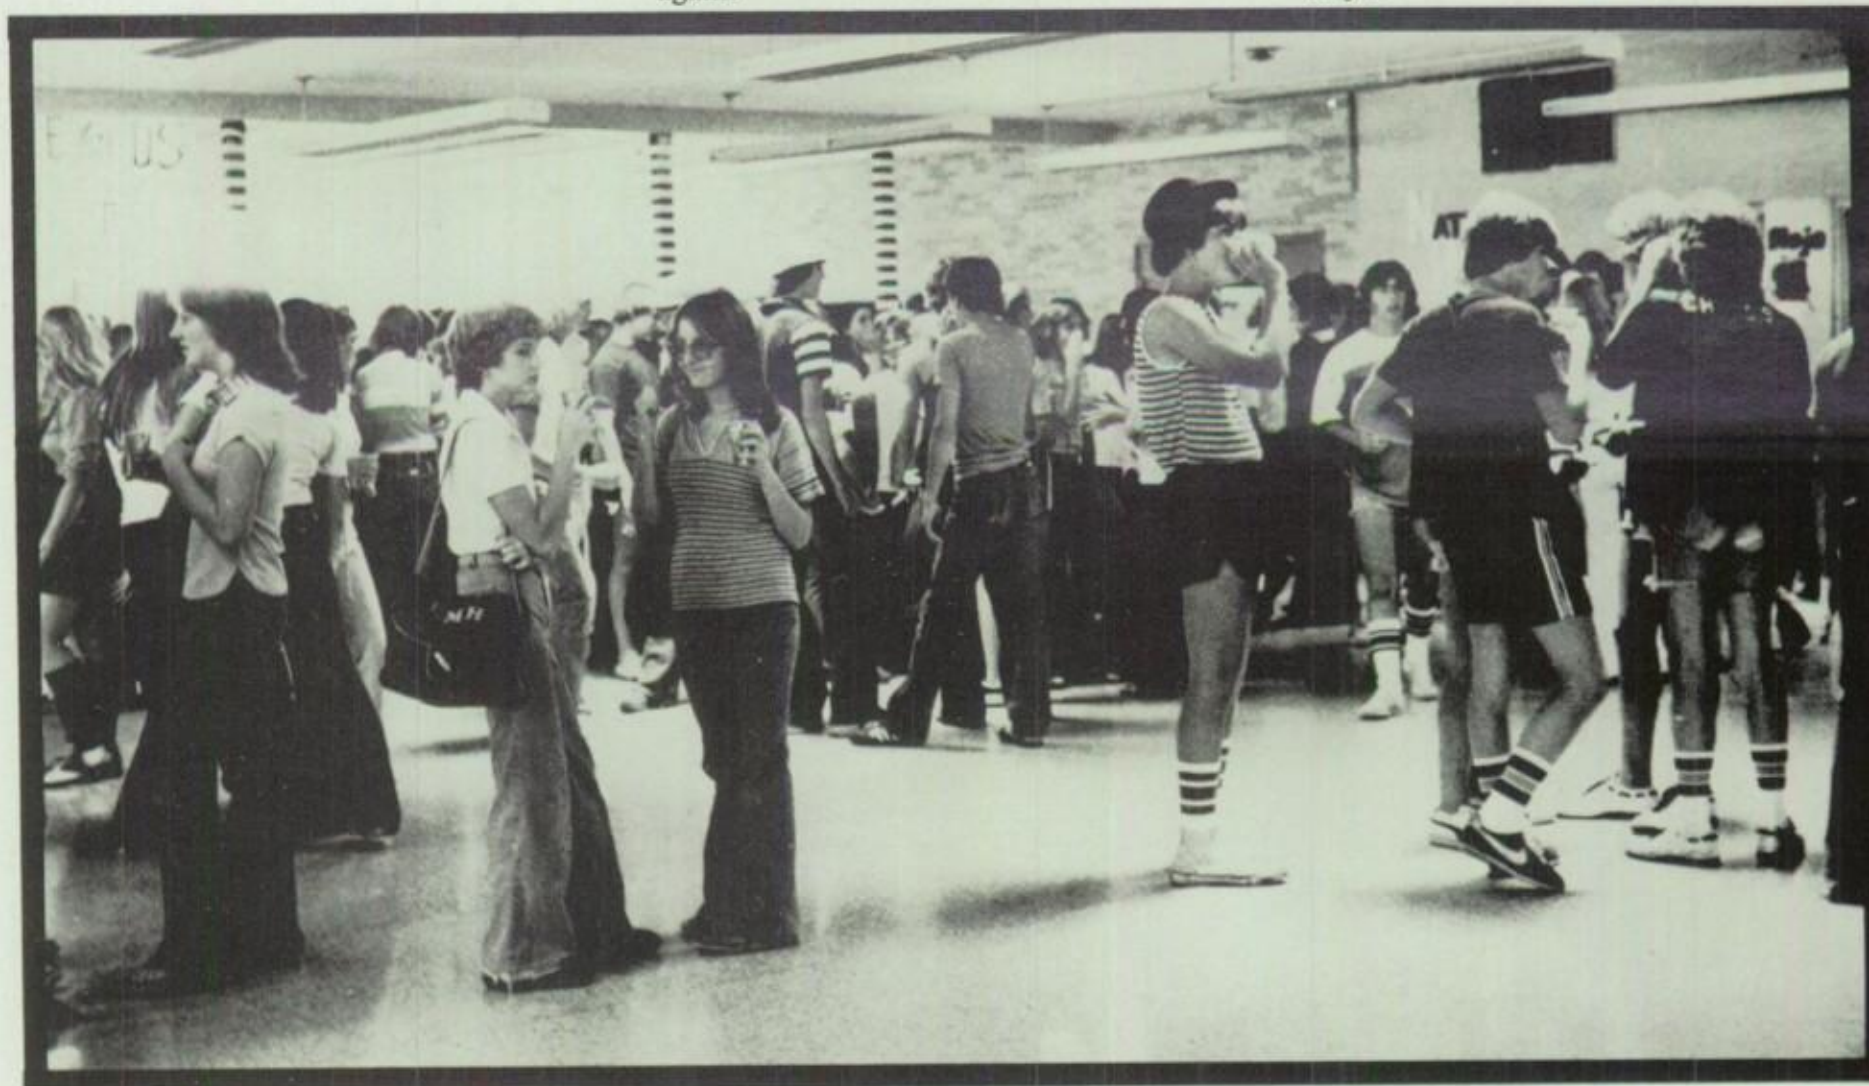

Learning to solve, control, communicate and love, is why students felt the need to walk through the doors of P.H.S.

Permian's Homecoming is always looked upon as a very special event. This is a time when guys finally get the courage to ask that special girl out, and showers her with such luxuries as dinner, the football game, the dance, and of course, that beautiful mum. The theme for this year's dance was "Always and Forever" with "Essence" providing the music. But perhaps more than anybody, this night will be a forever cherished memory for Holly Day, Permian's 78-79 Homecoming Queen. After being escorted on the field by her father, Holly's name was announced and she was presented with the traditional crown and bouquet of roses. Then came a ride in the shining black Corvette. For all involved, October 20, 1978 was indeed, a very memorable night.

In years to come, as we look back, how will we remember? Will we remember the year as it was or as we had wished it to be? Will we remember only the happy times or the disappointments we also shared? Did we express ourselves to the fullest extent and yet keep an open mind which welcomed the thoughts and the opinions of fellow teammates?

Did we utilize the days and the months to form lasting friendships with others? Or will the football game experiences we shared be lost forever with the closing of a book, never to be of benefit to us in a more serious later life?

Will we recall the good times of shared laughter, victory, and defeat that come from such simple things? Were we alone or were we a real part of Permian and its student body? What will we remember? We will remember the legend we left behind.

As a football athlete, to win at such a sport, is a treasureable memory. The Permian Cats have much to reminisce about after winning 17-7 against Lewisville.

A dedicated athlete must permanently place in him, "The feeling to work with intensity, fight with pride and push yourself."

And with this dedication, our Panthers proved that they did just that.

Daring to be different, the 1978-79 Permian football team started the year in a strive to win and be an unforgettable legend.

Through laughter and team work the Panthers won the game, against Arlington Heights with a score of 38-12.

Pushing on towards tomorrow, the team will seek to find new ideas and realize the importance of togetherness as a caring team. For they strived to become today's winners.

All the days you thought could never end are gone. All the days you've practiced that used to seem so far away, have passed. The striving moments it took you to win are now happy memories.

28-0 was the winning score against Plainview. There will always be tomorrows filled with the hope of things to come. No matter what you've looked for, no matter where you've been searching, the road has changed directions and ends now, and the crossroads lead to nowhere. Although you watched the sun set now you know it will rise again.

CHAMPTON

Although happy moments were prevalent, there were also sad moments to consider. It is those moments that bring tears to the eyes of students, parents, coaches, and dedicated athletes.

The Black Cats traveled to Texas Stadium for the semi-finals against Plano. The Cats lost with a score of 6-3.

Three gleaming points were put on the scoreboard by kicker Robert Orosco during the first quarter. But that wasn't enough. The men tried with every fiber of their bodies, yet the game was not ours.

During the years

National Honor Society

One misconception about the National Honor Society, which has existed for many years, is that the members of the group are there because they are "smart." Being intelligent and making good grades does make you eligible for induction into the Honor Society, but only if that intelligence is coupled with outstanding citizenship, a sound character and high moral standards. Once a member is inducted into the society he must maintain these standards or lose his membership.

Peer Counseling

Peer Counseling can be defined as the art of caring. These specially selected students are trained to be good listeners to help their peers. The counselors attend various day-long workshops and study psychology for one quarter. This course enables them to better understand their responsibilities as peer counselors.

Student Council

It would almost be easier to list what the Student Council does not do rather than what it does. This group of dedicated students sponsors different school activities such as homecoming, play nights, door decorating contests, spirit contests, ribbon selling, and many other projects. This organization is the foundation for the leaders of tomorrow. It instills a sense of responsibility and leadership in the students.

Spanish Club

The Spanish Club has been involved in many things this year, including selling cookies, hot chocolate, and hot apple cider during school, selling luminarios during Christmas, and taking trips to Prude Ranch and to Chihuahua, Chihuahua Mexico. These trips gave the students a chance to view Spanish customs and to make some new friends. The Spanish National Honor Society is made up of students who have done outstanding work and have made consistently good grades in their Spanish classes.

French Club

The purpose of the French Club is to encourage interest in the study of the French language and culture. The club participated in the annual International Dinner, an evening for all foreign language students. Various money-making projects were held to raise funds for the trip to the French Symposium in San Antonio, the state competition for French students.

F.H.A. *Although it was not always scheduled*

The F.H.A. provides opportunities for self-development and preparation for family and community living. The group provides an opportunity to develop interest in home economics, home economic careers, and related occupations. The goal of the P.T.A. is to help youths assume their roles in society through home economics.

The first days at Permian

The Permian JROTC is an organization that provides discipline and training for a student's future in the military service. The JROTC, in its fourth year at Permian, provides training for not only Permian students but the three feeder junior high schools as well. Instruction in subjects such as first aid, marksmanship, and general military procedures are given by Capt. Brown and his staff.

Industrial Electronics

The purpose of the club is to encourage exploration and development by designing and assembling projects which are entered in the March 9 District VICA contest and April 5 State VICA contest. Students may also enter speed skill competition at each of these contests — this involves assembly and testing of assigned circuits as the judges watch. The club also does electronic and small appliance repair through the year to pay expenses to the contests.

Speed Math

The Speed Math Club deals in two areas of mathematics: slide rule and/or number sense. The slide rule branch, of course, deals with slide rule mathematics while number sense involves all facets of mathematics, including trigonometry, algebra, number theory, and calculus. The club often competes in out-of-town meets in both science and mathematics in preparation for U.I.L. contests.

HECE

At the beginning of the year the group sold candy to raise money for the entire group to go to the Mansion. Their next project was selling Permian Panthers and Mojo T-shirts. The money raised from that went to funds for their trip to San Angelo for the meeting in March. HECE posters were made and displayed in the halls to promote the club, and response was very good.

Standing as one

Library Council

Rather than becoming involved in outside activities, the Library Council has concentrated on a "new look" for the Permian Library. All members spent the first quarter moving books off the shelves so the new carpet could be installed — and then had to move them back again after installation. This action had to be repeated the third quarter when the new shelving arrived. A paperback book drive was initiated the second quarter to fill the new paperback book stands. And, in conjunction with the National Honor Society, the library was again opened on Monday nights for "study, research and tutoring." Approximately 3000 new books were also processed and shelved this year.

Pepettes

The Permian Pepettes are a very active organization. This group is elected by the student body in December of their junior year and serve until after football season of their senior year. Among the many activities the Pepettes undertake are cooking, making posters, decorating lockers and the placing of a yard sign in their athlete's yard. The Permian Pepettes are a dedicated group and a group that deserves more credit than they are given.

The Sophomore Board is created to provide leadership for the class of 1981. The board supports many school activities, giving students a chance to become more involved with their school, providing a sense of unity for the Sophomore class. Not only is the board active in school, but they are also active in the community. The Sophomore Board is the core of the class of '81.

A great many changes have occurred since the doors of Permian first opened twenty years ago. We were a part of this modification. As students, we contributed our ideas for the betterment of Permian, and molded them into reality. Through this, and perhaps because of it, we have matured our values, principles, and objectives. We learned what it meant to be proud, and proud we were.

Our years at Permian were unforgettable. The '79 seniors will soon venture into a world new and unexplored by them, willingly accepting it as a challenge. The underclassmen will become the new leaders and will continue to uphold the honor and dignity known to Permian High School.

What is to come is unknown, but we wish for each of you the most rewarding, prosperous, and fulfilling future possible.
